602 Park Point Drive #206
Golden, CO
80401

Dear Pat:

Thank you for the attention and dedication you have provided me and our firm during the extended project reconciling our insurance issues as a result from the fire of our factory. Your personal diligence and professionalism has been greatly appreciated.

If there is ever an occasion that such a catastrophe befalls any of my associates or acquaintances, I would feel free to recommend you and your able assistance.

Respectfully,

A handwritten signature in black ink, appearing to read "Orin Mamber", with a long horizontal line extending to the right.
